Inhaltsangabe	The Bankruptcy Law Course focuses on the regulation of business crises. The system changed profoundly in 2022 and all crisis management procedures must be examined in the light of business continuity. Therefore, the course aims to offer the student the knowledge of the tools for reacting to the crisis or insolvency in which a company is involved. The following will be studied:

	The subjects to whom the instruments are intended
	The objective situations of crisis and insolvency
	Paths to avoid the disintegration of the company
	All procedures aimed at regulating the crisis
	At the and of the course the student should be able to understand
	At the end of the course, the student should be able to understand
	with what modularity the crisis must be faced
