	NOTE: Written group assignments are valid for one academic year and cannot be carried over beyond that time frame.		
	50% written exams		

### Bewertungskriterien

Art der Prüfung

50% written exams.

The written exam consists of review questions or critical

assessments of topics related to the management and economics of SMEs (multiple-choice questions and/or a variable number of open-ended questions).

50% project work (only for attending students).

The midterm assignments (project works), presented as a .ppt file, involve analyzing and discussing management challenges and issues in the context of SMEs and family firms. The lecturer assigns project work, which is delivered before the end of the course. The presentations are expected to be based on theoretical concepts covered in class and the extant literature.

It is relevant for the written exam: clarity of answers based on the knowledge provided in readings, textbooks, slides, and verbal information (including the practitioners' workshops), ability to summarize, evaluate, and establish relationships between topics, ability to analyse small business issues critically.

It is relevant for project work: the ability to work in a team, creativity, critical thinking skills, the ability to summarize in one's own words, and presentation skills.

100% Written exam for students who do not attend lessons (Students who will not attend at least 50% of classes).

A written exam (100%) will assess the knowledge and skills learned throughout the course.

#### Pflichtliteratur

Recommended texts and notes will be provided at the end

of each lecture and included in the lecture slides. Before each lecture, the slides and required readings will be uploaded to the *OLE platform*. Moreover, a list of selected resources for small business education, including books, movies, magazines, and teaching cases, will be made available in the initial lecture. Below is a list of some of the most recommended readings, which serves as a general guide.

Non-attending students should focus on everything uploaded on OLE platform
