Ore di laboratorio	18
Ore di studio individuale	-
Ore di ricevimento previste	18
Sintesi contenuti	This course offers a foundational understanding of management principles as they apply to the fields of sport, events, and tourism. It explores how organizations operate in experience-based industries that are shaped by consumer behavior, public-private partnerships, and global trends. Emphasis is placed on the

	distinctive features of managing people, resources, and services in contexts where intangible value, stakeholder diversity, and sustainability are central. Topics covered include: Basic functions of management (planning, organizing, leading, and controlling). Organizational structures in sport, event, and tourism enterprises. Service quality and customer experience. Stakeholder management. Leadership and team dynamics. Strategic and operational planning. Introduction to sustainability and innovation in experience sectors.
Argomenti dell'insegnamento	The course covers the following main topics: - What is management and who is a manager - Strategic planning in management - Organizational design and structures - Human resources management - Understanding motivation and leadership - Controlling work and organizational processes
Parole chiave	managerial functions, planning, organizing, leading, controlling
Prerequisiti	not foreseen
