Contents Summary	This course offers a foundational understanding of management principles as they apply to the fields of sport, events, and tourism. It explores how organizations operate in experience-based industries that are shaped by consumer behavior, public-private partnerships, and global trends. Emphasis is placed on the distinctive features of managing people, resources, and services in contexts where intangible value, stakeholder diversity, and sustainability are central. Topics covered include: Basic functions of management (planning, organizing, leading, and controlling). Organizational structures in sport, event, and tourism enterprises. Service quality and customer experience. Stakeholder

	management. Leadership and team dynamics. Strategic and operational planning. Introduction to sustainability and innovation in experience sectors.
Course Topics	The course covers the following main topics: - What is management and who is a manager - Strategic planning in management - Organizational design and structures - Human resources management - Understanding motivation and leadership - Controlling work and organizational processes
Keywords	managerial functions, planning, organizing, leading, controlling
Recommended Prerequisites	not foreseen
Propaedeutic Courses	
Teaching Format	Frontal lectures, discussions of case studies, exercises
Mandatory Attendance	-
