Sintesi contenuti	The course is divided into two main parts: Part 1 focuses on organisation, while Part 2 covers human resource management. In both sections, the basic theories of each area are explored and practical examples are given to illustrate these concepts. In addition, the course features a guest lecture that bridges the gap between theory and practice and provides real-life insights into the topics covered.
Argomenti dell'insegnamento	Organisations and their environment, organisational design, organisational change, personnel work in an organisational

	context, personnel planning, recruitment and selection, personnel development, motivation, talent management
Parole chiave	Organisations, organisational design, personnel work, motivation, talent management
Prerequisiti	
Insegnamenti propedeutici

Obiettivi formativi specifici e risultati di apprendimento attesi (ulteriori info.)	The course is assigned to the basic educational activities of the student's choice and is part of the Department of Business Administration. The course provides a general overview of the topics of organisation and human resources. The first part of the course deals with organisational topics, the second part deals with human resources. Practical relevance to both topics is established. Exercises, case studies and presentations support learning.
Modalità di esame	The examination time available is the same for attending and non-attending students. Attending students: Written exam (multiple choice and short answer questions) (ILOs 1.1-3.2) and case study work with group

	presentation (ILOs 1.1-3.2) Non-attending students: Written exam (multiple choice and short answer questions and essay questions) (ILOs 1.1-3.2)
Criteri di valutazione	70%: Written paper (multiple choice and possibly short answer questions) 30%: Work on case studies and presentations during the course. For students who do not actively participate in the course, the final grade consists of an exam.
