CFU	3
Ore didattica frontale	30
Ore di laboratorio	-
Ore di studio individuale	-
Ore di ricevimento previste	9
Sintesi contenuti	The course is designed to acquire further language skills. A basic course in specific language for economics students based on the B2 -> C1 (CEFR). The course focuses on the various styles of language used in the field of economics and business studies and aims to improve the students' receptive, but above all, productive language skills in general.
Argomenti dell'insegnamento	Topics covered include an introduction to more complex grammatical structures used in this field and at this level, with subsequent consolidation through the use of practical applications. There will also be emphasis on improving productive skills, especially writing skills, so that the students can produce accurate,

	cohesive texts in German for professional use.
Parole chiave	Study and university environment, Research and science, New technologies, Environment, Life and culture, Economics, Ethics
Prerequisiti	
Insegnamenti propedeutici	Proficiency at B2 level recommended (CEFR).
Modalità di insegnamento	Active participation in classes is expected. Teaching methodology emphasizes student co-operation and participation in the classroom through individual, pair and group work.
Obbligo di frequenza	Suggested, but not required.

Intercultural competence. Conceptual awareness, synthesis and written expression, particularly in the drafting of scientific or science-based documents
Obiettivi formativi specifici e risultati di apprendimento attesi (ulteriori info.)	
Modalità di esame	The written examination (120 minutes) and the portfolio assess students' ability to apply their knowledge and understanding in the areas of reading, writing, vocabulary, and grammar. In addition, they evaluate the ability to comprehend and reproduce information from academic and academically oriented texts with appropriate conceptual awareness. (ILO 2.1) The use of a monolingual dictionary is permitted. The portfolio consists of written assignments that students complete at regular intervals throughout the course and addresses the main topics of the program. It must be submitted by a fixed

	deadline (one week prior to the respective examination date). The oral examination (approx. 10-15 minutes) assesses communicative competence in speaking (ILO 1.1). It is divided into three components: • a personal introduction • a presentation of a project or topic • a discussion of the contents of the portfolio.
Criteri di valutazione	• 50% written exam • 10% portfolio • 40% oral examination Evaluation criteria are clarity of answers, mastery and correctness of language, ability to summarize, evaluate, and establish relationships between topics.
Bibliografia obbligatoria	Texts and materials from the lectures are made available on OLE.
Bibliografia facoltativa
