

Syllabus

Descrizione corso

Titolo insegnamento	Didattica della lingua inglese
Codice insegnamento	82035
Titolo aggiuntivo	
Settore Scientifico-Disciplinare	ANGL-01/C
Lingua	Inglese
Corso di Studio	Percorso universitario di formazione iniziale dei docenti della scuola secondaria di primo e secondo grado in lingua italiana - 60CP
Altri Corsi di Studio (mutuati)	
Docenti	Dr. EdD, MA in TEYL Valentina Gobbett Bamber, Valentina.Bamber@unibz.it https://www.unibz.it/en/faculties/economics-management/academic-staff/person/8075
Assistente	
Semestre	Summer school
Anno/i di corso	1
CFU	7
Ore didattica frontale	42
Ore di laboratorio	0
Ore di studio individuale	133
Ore di ricevimento previste	0
Sintesi contenuti	<p>Drawing on participants' prior learning and classroom practice, the course encourages critical reflection on language use, teaching strategies, and learner engagement, with the aim of enhancing both pedagogical awareness and communicative competence.</p> <p>The course focuses on how English functions in real-life contexts, with particular attention to how language is learned, processed, and applied in diverse educational settings. Participants will explore key areas such as communication strategies, language learning</p>

	<p>processes, and the role of multimodal input (text, visuals, and audio) in meaning-making and classroom interaction.</p> <p>Course participants will be actively engaged in discussion and collaborative tasks, using both theoretical insights and practical experience to support their reflections and contributions. By the end of the course participants will have developed a deeper understanding of language as a dynamic tool for teaching, learning, and professional growth.</p>
<p>Argomenti dell'insegnamento</p>	<p>Core course topics include:</p> <ul style="list-style-type: none"> - second language acquisition theories and implications for instructed contexts - language teachers' communicative competences: providing age-appropriate exposure, feedback, scaffolding classroom interaction, initiating and sustaining learner motivation - language teaching methods and strategies for promoting student participation in diverse classrooms - managing classroom discourse to encourage collaborative language development - approaches to scaffolding English language development across different proficiency levels - selecting, evaluating, adapting, creating, and deploying appropriate activities, tasks and lesson materials for language development in a range of instructed contexts - multimodality in instructed language development: scaffolding teacher and learner creativity to promote inclusive language development and learner autonomy - adopting principled, fair and context-sensitive assessment modalities to sustain student motivation and learning outcomes - principled adoption of digital tools and online resources for language development - the reflective practitioner - continuing professional development: strategies, activities, resources, maintaining well-being
<p>Parole chiave</p>	<p>reflective practice, English as a foreign/additional language development, scaffolded interaction, learner motivation, activity/task/materials evaluation, continuing professional development</p>

Prerequisiti	
Insegnamenti propedeutici	
Modalità di insegnamento	Interactive lectures; individual and collaborative tasks to be completed during lectures with peer and lecturer input/feedback.
Obbligo di frequenza	In accordance with the regulation
Obiettivi formativi specifici e risultati di apprendimento attesi	<p>This course aims to develop participants' knowledge and practical skills for teaching English at secondary school level.
