Sintesi contenuti	The seminar aims to provide helpful knowledge for the introduction into the labour market and specific professional knowledge related to the artists and design production, promotion and exhibition.
Argomenti dell'insegnamento	The nine two-hour lessons that the seminar is divided into will be based on monographic lessons on specific topics that will vary from time to time. Each class will explore specific issues, e.g. physical and material issues (durability, conservation, handling, security, shipping); structure of workplaces (museums,

	kunsthalle, galleries, graphic design studios, visual communication agencies, etc.); bureaucratic and legal issues (contracts, wages, royalties, taxes, rights and duties, work ethics); challenges and opportunities (grants, open calls, applications, residencies, competition, social media, visibility and promotion); presentation (presenting yourself and your work in writing or orally, portfolio building); future (continuing your training, collaborating with/for others, starting your own business); motivation (how to be and stay motivated in a competitive environment). During the seminar we will examine many case studies, have many live guests bringing their experiences, and carry out practical exercises with both group and one-to-one review sessions.
Parole chiave	Art and design production, art and design management, health and safety rules, artists and designers fees, institutional settings (museums, galleries, studios, etc.), awards-prizes-residencies-fellowships-grants-sponsorships possibilities and how to apply, fundraising strategies, portfolio presentation, loan and authenticity forms, etc.
