Syllabus

Kursbeschreibung

Titel der Lehrveranstaltung	Advanced Scientific English
Code der Lehrveranstaltung	46002
Zusätzlicher Titel der Lehrveranstaltung	
Wissenschaftlich-disziplinärer Bereich	ANGL-01/C
Sprache	Englisch
Studiengang	Doktoratsstudium in Mountain Environment and Agriculture (Alpine Umwelt und Landwirtschaft) - Studienzweig Nachhaltige Landwirtschaftliche Produktionssysteme
Andere Studiengänge (gem. Lehrveranstaltung)	
Dozenten/Dozentinnen	Dr. Graham Francis Burton, GrahamFrancis.Burton@unibz.it https://www.unibz.it/en/faculties/education/academic-staff/person/31453
Wissensch. Mitarbeiter/Mitarbeiterin	
Semester	Erstes Semester
Studienjahr/e	1
KP	3
Vorlesungsstunden	24
Laboratoriumsstunden	6
Stunden für individuelles Studium	45
Vorgesehene Sprechzeiten	9
Inhaltsangabe	The course aims to improve the students' knowledge and use of the conventions of Academic and Scientific English. It covers some of the essential areas of scientific communication that doctoral students should master in order to successfully disseminate and promote their research. This includes how to write in coherent,

	cohesive and concise sentences, structure paragraphs, paraphrase, acquire appropriate vocabulary, become familiar with the terminology of the relevant scientific community, how to structure research papers, adhere to ethical principles in scientific publishing and how to give a scientific talk or present a poster. Through reading scientific articles, active engagement with specialized terminology and useful phrases for writing research papers, planning a model manuscript, writing abstracts as well as giving oral presentations as a form of scientific communication among peers, students will have the opportunity to practice their writing and speaking skills and develop a more sophisticated and mature style.
Themen der Lehrveranstaltung	academic writing and its conventions linguistic features of academic writing in English aspects of reading for academic writing exploiting basic corpus techniques to explore academic language compiling a corpus representative of academic language developing arguments structure of abstracts structuring oral presentations using effective linking phrases during oral presentations making effective use of presenting software such as PowerPoint
Stichwörter	academic writing; academic style; oral presentations; poster presentations; abstracts; discipline-specific language
Empfohlene Voraussetzungen	
Propädeutische Lehrveranstaltungen
