Autonomy of judgement

find the necessary additional information in databases, regulatory sources and scientific bibliography;

	Communication skills Graduates of the Tourism, Sports and Events Management degree programme will develop communication and presentation skills to explain, argue and summarise complex interdisciplinary topics in the tourism, sports and events sector in a professional context.
	The achievement of this objective will be assessed by means of written examinations, individual and group assignments as well as the final dissertation.
Spezifisches Bildungsziel und erwartete Lernergebnisse (zusätzliche Informationen)	
Art der Prüfung	For Attending Students (regular attendance will be recorded by the lecturer, at least 50% of attendance is required to qualify as attending student) The knowledge and the skills learned throughout the course will be assessed with: two group assignments and a final written exam. • Two group assignments (20%+20%) will take place during the course, the dates will be communicated the first day of lectures and will be available in the reserve collection under Course Daily Activities. These group assignments will have the objective of evaluating the students 'knowledge on the sport marketing theory and practice. The groups will be formed by the lecturer and only those students who have attended 50% of the lectures can take part to the group assignments. • The final written exam (60%) will consist of three to five essay and/or open-ended questions aimed at testing the knowledge of sponsorship concepts, models, techniques, and tools acquired as well as the students 'ability to apply this knowledge to a variety of sport market settings. The final exam will last up to 70 minutes.
	Active contribution to class discussion and activities is expected for each and every class and bonus points will be assigned as reward for high-level contributions.

Results of the intermediate project-works and bonus points are valid only for the academic year in which these activities have taken place, and results of these activities cannot be carried over beyond that time frame.

For NON-Attending Students

(Students who will not attend at least 50% of classes or will be unable to complete the group assignments)

The knowledge and the skills learned throughout the course will be assessed with: a written exam (100%).

The final exam will cover all topics, will include up to seven essays and/or open-ended questions at testing the knowledge of marketing and management concepts, models, techniques, and tools acquired and the students ability to apply it to a variety of market settings.

The final exam will last up to 120 minutes

Bewertungskriterien

The students' leaning outcomes will be evaluated as follows:
