University Academic Curriculum Vitae

Education since leaving school

- 2019, Degree in Agricultural and Agroenvironmental Sciences, Free University of Bolzano/Bozen with the thesis “Valutazione dei cambiamenti storici della copertura vegetale riparia lungo la valle del fiume Aurino”. Final grade: 105/110.

- 2023, Master degree in Environmental Management of Mountain Areas, Free University of Bolzano/Bozen and University of Innsbruck with the thesis “Hydrological characterization with stable water isotopes of two high-mountain catchments in South Tyrol (Italian Alps)”. Final grade: 110 cum laude/110.

Statement of interest

I already have experience in the specific position and know the organization and aims of the RockME project, as I have conducted the field activity (sampling and monitoring of the stations) during Summer 2022 for my Master thesis and in Summer 2023 as external collaborator. I know well the two study areas, the location of stations, the sampling methodology, the instrumentation, and the software applications used to retrieve and analyze data.

Language competence

I am proficient in English (Writing B2+, Speaking C1) and independent in German (Writing B1, Speaking B2)
