4 Research and Scholarship

4.1 Research Grants

2024-2028: ESF+ Project *Borse di studio d'eccellenza per studenti/studentesse di dottorato su tematiche di rilevanza strategica per l'Alto Adige*, project title *Language technologies for low-resource languages*, funded by ESF+, € (check!).

2023-2025: Principal Investigator (with Marianne Pouplier, LMU München) of the project *New Perspectives on Diphthong Dynamics* funded by the Deutsche Forschungsgemeinschaft (DFG) and the Autonomous Province of Bozen-Bolzano, € 551,643.

2021-2024: Principal investigator of the project *Speech Corpus for phonetic REsearch* (SCORE) funded internally by the Free University of Bozen-Bolzano (start-up fund), € 50,000.

2018-2021: Principal investigator of the project *Networks, Exemplars and Bilinguals. The potential of quantitative social network analysis in sociophonetic research* (NEB) funded internally by the Free University of Bozen-Bolzano, € 73,029. Post-doc researcher: Daniela Mereu.

2017-2020: Principal investigator of the project *Speak Up! The effects of temperature and altitude on speech and articulation* (SpeakUp) funded internally by the Free university of Bozen-Bolzano, € 69,962. Post-doc researcher: Lia Saki Bucar Shigemori.

2013-2017: Principal investigator of the project *The articulatory sociophonetics of bilingual in South-Tyrol: the Ultrasound Tongue Imaging potential* (TUTIP) funded by the Autonomous Province of Bolzano, € 194,900. External Partner: James Scobbie, Clinical Audiology, Speech and Language CASL, Queen Margaret University, Edinburgh. Two post-doc researchers: Vincenzo Galatà, Constantijn Kaland.

2014: Principal investigator of the project *Corpus di italiano di Bolzano* funded internally by the Free University of Bozen-Bolzano, € 7,000. Research assistant: Chiara Meluzzi.

2010-2012: Principal investigator of the project *A multilingual and multichannel corpus for the phonological analysis of languages spoken in South-Tyrol* (FONAA) funded internally by the Free university of Bozen-Bolzano, € 26,000.

2009-2010: Principal investigator of the project *Phonetic systems in interaction: Instrumental phonetics description of rhotics in South-Tyrolean Italian* in collaboration with James Scobbie (Speech Science Research Center, Queen Margaret University, Edinburgh) funded internally by the Free university of Bozen-Bolzano, € 22,491.

2001-2002: Principal investigator of the project *Costituzione di un corpus materiali linguistiche per ricerche di sociolinguistica urbana nell'Italia settentrionale* funded by Italian Ministry for University and Research (MIUR) under the research programme *Progetti Giovani Ricercatori* (Projects for Junior Researchers), £ 8,000,000.

4.2 Participation to Research Projects

2022-2024: Researcher in the project *German-Romance Language Contact in the Italian Alps: documentation, explanation, participation* (AlpiLinK). Principal investigator: Prof. S. Rabanus, Univ. di Verona. The project is funded by the Italian Ministry for University and Research (MIUR) under the basic research program PRIN, year 2020.

2012-2015: Researcher in the project *Rappresentazioni linguistiche dell'identità. Modelli sociolinguistici e linguistica storica*. Coordinator: Prof. P. Molinelli, Univ. di Bergamo. The project is funded by the Italian Ministry for University and Research (MIUR) under the basic research program PRIN, year 2010-11.

2011-2014: Researcher in the project *Kontatto. Italiano-Tedesco: aree storiche di contatto tra Sudtirolo e Trentino* funded by the Autonomous Province of Bolzano. Coordinator: Prof. S. Dal Negro, Free University of Bozen-Bolzano.

2006-2011 Researcher in the European Union 6th Framework project *Language dynamics and management of diversity*¹ (DYLAN), Contract n. 028702. Project coordinator: Prof. A. Berthoud, Univ. of Lausanne, Switzerland.

2001-2002: Junior researcher in the project *Lingua nazionale e dialetto in Italia all'inizio del Terzo Millennio*. Coordinator: Prof. G. Berruto, Univ. di Torino. The project is funded by the Italian Ministry for University and Research (MIUR) under the basic research program PRIN, year 2001.

1999-2000: Research assistant in the project *Linguistica acquisizionale: sintassi, discorso e percorsi di formazione dell'italiano lingua seconda* funded by the Italian Ministry for University and Research (MIUR) under the basic research program PRIN, year 1998. Coordinator: Prof. A. Giacalone Ramat, Univ. di Pavia.

4.3 Main Scientific Collaborations

I actively maintain scientific collaborations with researchers in different areas. The following list reports the collaborations that are currently active.

- J. Scobbie (CASL Research Centre, Queen Margaret University, Edinburgh): *articulatory phonetics, Ultrasound Tongue Imaging*.
- S. Vantini, A. Pini (Laboratory for Modeling and Scientific Computing MOX, Politecnico di Milano): *functional models of tongue shapes using ultrasound data*.
- M. Pouplier (Institute of Phonetics and Speech Processing, Ludwig-Maximilians University, Munich): *dynamic models in phonetics*.
- K. Iskarous (University of Southern California): *computational tools for language documentation, new ways of parametrization of the Fourier spectrum*.
- A. Treves (Cognitive Neuroscience, SISSA Trieste): *computational models of vowel perception in bilinguals*.
- A. Liotta (Faculty of Engineering, Free University of Bozen-Bolzano): *application of deep learning models to the recognition of pathological voice*.
- M. Cerruti (Università di Torino): *quantitative approaches to the study of language variety in sociolinguistics and linguistic typology*.
- S. Dahlgren (University of Helsinki): visiting post-doc researcher at the Free University of Bozen-Bolzano to be trained in the methods of articulatory phonetics (Ultrasound Tongue Imaging) at the ALPS lab and to conduct research on coarticulation.

4.4 Research Visits

Sep. 2009: Visit to the *Clinical Audiology, Speech and Language Research Centre*, Queen Margaret University, Edinburgh (Scotland), to learn how to use the technique of Ultrasound Tongue Imaging, and to collect articulatory data on one bilingual subject from South Tyrol in collaboration with Prof. James Scobbie and Dr. Eleonor Lawson.

Aug. 2011: Visit to the *Clinical Audiology, Speech and Language Research Centre*, Queen Margaret University, Edinburgh (Scotland), to carry out methodological research on Ultrasound Tongue Imaging (UTI) in collaboration with Prof. James Scobbie.

5 Other Scientific Achievements and Services

5.1 Awards

2001: Scholarship Young Researcher Program [Giovani ricercatori], Italian National Research Program.

5.2 Scientific Committee Membership

I have been a member of scientific committees at the following international conferences.

2011: *r-atics-3 - 3rd International workshop on the phonetics, phonology, sociolinguistics and typology of rhotics*, 2-3 December 2011, Free University of Bozen-Bolzano, Italy.

2013: *r-atics-4 - 4th International Symposium on Rhotics*, 29-31 October 2013, Université Stendhal Grenoble 3, Grenoble, France.

2014: *1st International Conference on the Sociolinguistics of Immigration*, 25-26 September 2014, Rapallo (Genova), Italy.

2014: International Workshop *Pragmatic Markers, Discourse Markers and Modal Particles: What do we know and where do we go from here?*, 16-17 October 2014, Università dell'Insubria, Como, Italy.

2014: International Conference *Usage-based theories and approaches in linguistics*, Società di Linguistica Italiana, 23-24 May 2014, Free University of Bozen-Bolzano, Italy.

2015: *XI International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 28-30 January 2015, University of Bologna, Italy.

2016: *XII International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 27-29 January 2016, University of Salerno, Italy.

2017: *XIII International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 25-27 January 2017, Scuola Normale Superiore, Pisa, Italy.

2018: *XIV International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 25-27 January 2018, Free University of Bozen-Bolzano, Italy.

2019: *XV International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 14-16 February 2019, Università di Siena, Italy.

2019: 3rd Conference *Phonetics and Phonology in Europe*, 17-19 June 2019, University of Salento, Lecce, Italy.

2020: *XVI International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 29-31 January 2020, Università della Calabria, Rende (CS), Italy.

2020: *LabPhon17*, International conference of the Association for Laboratory Phonology, 6-8 July 2020, University of British Columbia, Vancouver BC, Canada.

2021: *XVII International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 4-5 February 2021, Universität Zürich, Switzerland.

2021: 4rd Conference *Phonetics and Phonology in Europe*, 21-23 June 2019, Universitat Pompeu Fabra and the Universitat de Barcelona, Catalonia.

- 2022: *XVIII International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 7-8 February 2022, Università degli Studi di Napoli "Federico II", Napoli, Italy.
- 2022: *LabPhon18*, International conference of the Association for Laboratory Phonology, 23-25 June 2022, online.
- 2023: *XIX International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 15-17 February 2022, Università del Salento, Lecce, Italy.
- 2023: *XX International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 1-3 February 2024, Università di Torino, Torino, Italy.
- 2024: *LabPhon19*, International conference of the Association for Laboratory Phonology, 27-29 June 2024, Hanyang University, Seoul, Korea.

5.3 Organization and Chair of Scientific Events

- 2007: Co-organizer of *Phonetici Phonologici Dies - PhD1* one-week seminar for PhD students on methods of experimental phonetics and phonology, 26 February - 1 March 2007, Free University of Bozen-Bolzano, Italy.
- 2008: Co-organizer of the *Phonetici Phonologici Dies - PhD2*, 3-6 March 2008, Free University of Bozen-Bolzano, Italy.
- 2009: Co-organizer of the *Phonetici Phonologici Dies - PhD3*, 9-12 March 2009, Free University of Bozen-Bolzano, Italy.
- 2011: Co-chair of the *'r-atics-3 - 3rd International workshop on the phonetics, phonology, sociolinguistics and typology of rhotics*, 2-3 December 2011, Free University of Bozen-Bolzano, Italy.
- 2012-2014: Chair of the Linguistics Colloquium *Work in Progress (WiP)*, Language Study Unit, Free University of Bozen-Bolzano.
- 2014: Coordinator of the organizing committee of the International Conference *Usage-based Theories and Approaches in Linguistics*, Società di Linguistica Italiana, 23-24 May 2014, Free University of Bozen-Bolzano, Italy.
- 2016: Member of the organizing committee of *ESSLLI 2016 - European Summer School in Logic, Language and Information*, 15-26 August 2016, Free University of Bozen-Bolzano, Italy.
- 2017: Chair of the organizing committee of the workshop *Doing Sociophonetic Research*, 8-10 February 2017, Free University of Bozen-Bolzano.
- 2018: Chair of the organizing committee *XIV International Conference of AISV, Associazione Italiana Scienze della Voce - Italian Association of Speech Sciences*, 25-27 January 2018, Free University of Bozen-Bolzano, Italy.
- 2018: Co-organizer and co-instructor (with prof. Khalil Iskarous) of the course *LING 499: Endangered Language Documentation: Ladin - Summer 2018* within the Problems Without Passports (PWP) program of the University of Southern California, 25 May - 29 June 2018, Free University of Bozen-Bolzano, Italy.
- 2018: Co-organizer (with L. Spreafico) of the satellite event on *New Developments in Speech Sensing and Imaging*, at LabPhon16, University of Lisbon, Portugal.
- 2018: Co-organizer (with L. Spreafico) of the workshop on *La variazione fonetica e fonologica dell'italiano: dati, metodi e modelli*, at the LII International Conference of SLI Società di Linguistica Italiana, 6-8 September 2018, University of Bern, Switzerland.
- 2019: Co-organizer and co-instructor (with prof. Khalil Iskarous) of the course *LING 499: Endangered Language Documentation: Ladin - Summer 2019* within the Problems Without Passports (PWP) program of the University of Southern California, 20 May - 27 June 2018, Free University of Bozen-Bolzano, Italy.
- 2022: Member of the organizing committee of the *LV International Conference of SLI, Società di Linguistica Italiana - Confini nelle lingue e tra le lingue*, 8-10 September 2022, Free University

of Bozen-Bolzano, Brixen, Italy.

2022: Co-organizer (with D. Mereu) of the workshop on *La variabilità fonetica: il ruolo della situazione comunicativa*, at the LV International Conference of SLI, Società di Linguistica Italiana - Confini nelle lingue e tra le lingue, 8-10 September 2022, Free University of Bozen-Bolzano, Brixen, Italy.

5.4 Editorial and Review Activity

2020-today: Member of the Editorial Board of the series *Studi AISV* published by the *Italian Association for Speech Sciences*.

2020: Editor of the Collection *Techniques and Methods for Investigating Speech Articulation for Laboratory Phonology - Journal of the Association of Laboratory Phonology*.

2024-2027: Member of the Scientific Committee of the journal *Oral Archives Journal*.

Reviewer for the following international journals: Language and Speech, Journal of the International Phonetic Association, Phonology, The Journal of the Acoustical Society of America (JASA), Journal of Phonetics, Language Variation and Change, Speech Communication, Laboratory Phonology (Journal of the Association for Laboratory Phonology), VOX Romanica, Italian Journal of Linguistics, Rivista Italiana di Dialettologia, Ladinia.

5.5 Membership in Scientific Associations

I am a member of the following scientific associations:

- *Società di Linguistica Italiana*, since 2001;
- *Associazione Italiana di Linguistica Applicata*, since 2006;
- *Associazione Italiana di Scienze della Voce*, since 2009;
- *Società Italiana di Glottologia*, since 2010 (fellowship by appointment);
- *Association for Laboratory Phonology*, since 2016.

6 Dissemination

6.1 Invited Talks and Keynotes

May 2002: Invited talk on *Osservare il linguaggio quotidiano* (Observing everyday language), Università del Piemonte Orientale, Vercelli.

6.2 Seminars and Tutorials

- Jun. 2007: Invited seminar on *Analizzare la variazione linguistica. Introduzione all'uso di VAR-BRUL*, at the PhD Program in Linguistics, University of Verona, Italy.
- Apr. 2011: Invited seminar on *Fonetica acustica. Introduzione a PRAAT*, at the Workshop Language Documentation II, 5-8 April 2011, Free University of Bozen-Bolzano.
- Dec. 2011: Invited seminar on *Ultrasound Tongue Imaging: la ricerca in fonetica sperimentale e le applicazioni didattiche e cliniche*, at the BA in Logopedia (Speech Therapy), Scuola provinciale superiore di sanità "Claudiana", Bozen-Bolzano, Italy.
- Feb. 2014: Invited tutorial on *Ultrasound Tongue Imaging. Acquisizione e analisi dei dati con AAA*, at Laboratorio di Linguistica, Scuola Normale Superiore di Pisa, Italy.
- Mar. 2014: Invited seminar on *Metodi quantitativi in linguistica* (Quantitative Methods in Linguistics), at the PhD Program in Linguistics, University of Pavia, Italy.
- Sep. 2014: Invited workshop (with L. Spreafico) on *Workshop sui metodi di ricerca: Raccogliere, trascrivere, annotare e analizzare dati di parlato con i programmi ELAN e PRAAT*, at the Internationale Sommerschule *Germanische und romanische (Klein)Sprachen im Kontakt*, organized by the University of Konstanz (Germany), Bozen-Bolzano, Italy.
- May 2017: Invited seminar on *Introduzione ai metodi quantitativi in linguistica con R* (Introduction to quantitative methods in linguistics with R), at the University of Cagliari, Italy.
- Oct. 2017: Contributed demo (with A. Pini, L. Spreafico, S. Vantini) on *Tongue.analysis: an R package for Functional Data Analysis of tongue profiles*, at the international conference Ultrafest 8, University of Potsdam, Germany.
- Nov. 2018: Invited seminar on *R for Linguists*, at the Winter School of the PhD in Linguistics, University of Verona, Italy.
- Mar. 2021: Tutorial on *Introduzione alla fonetica acustica*, at the PhD in Linguistics, University of Bergamo, Italy.
- May 2021: Invited tutorial on *Statistica: analisi della varianza: teoria ed esercitazioni pratiche*, University of Pisa, Italy.

6.3 Presentations at International Conferences and Workshops

- Sep. 2002: Oral presentation on *Come costruire una intervista "ecologica": per una interpretazione contestualizzata dei dati*, at the XXXVI International Conference of SLI Società di Linguistica Italiana, 26-28 September, Università di Bergamo, Italy.
- May 2003: Oral presentation on *Italiano di peruviani: tendenze verso una varietà mista*, at the Conference Dies Romanicus Turicensis, 23 May 2003, Romanisches Seminar, University of Zurich, Switzerland.
- Feb. 2006: Oral presentation on *Quale italiano parlano gli immigrati? Imparare una lingua o "ricrearne" una propria*, at the VI Conference of AItLA Associazione Italiana di Linguistica Applicata, 9-10 February 2006, Università di Napoli L'Orientale, Italy.
- Jul. 2006: Oral presentation on *Patterns of code convergence/divergence in bilingual South Tyrol*, at the Sociolinguistics Symposium 16, 6-8 July 2006, University of Limerick, Ireland.
- May 2007: Oral presentation (with R. Franceschini, L. Spreafico, D. Veronesi) on *Analysis of the role of multilingual institutions of higher education and its influence on the language practices of individual speakers, in particular with regard to their adoption of multilingual communication practices*, at the meeting of the DYLAN project, University of Basel, Switzerland.
- Sep. 2007: Oral presentation on *Multilinguismo in interazione: descrizione dell'uso di più lingue in interazioni verbali tra studenti universitari*, at the International Conference Bi- and Multilingual Universities, 20-22 September 2007, Free University of Bozen-Bolzano.
- Sep. 2007: Oral presentation on *Selezione di codice in contesto bilingue: un'indagine quantitativa in Alto Adige / Südtirol*, at the XLI International Conference of SLI Società di Linguistica Italiana, 27-29 September 2007, Università di Chieti e Pescara, Italy.

- Apr. 2008: Oral presentation (L. Spreafico, C. Varcasia, D. Veronesi, R. Franceschini) on *Multilingual practices at the Free University of Bozen-Bolzano. How to define the role of contextual factors?*, at the meeting of the DYLAN project, 16-18 April 2008, University of Lyon, France.
- Jun. 2008: Poster presentation (with L. Spreafico) on *Phonetic variation of /r/ in a language contact context: The case of South Tyrol Italian*, at the International Conference LabPhon11, 30 June - 2 July 2008, Victoria University of Wellington, New Zealand.
- Feb. 2009: Poster presentation (with L. Spreafico, A. Romano) on *Tempi e modi di conservazione delle /r/ italiane nei frigoriferi del corpus CLIPS*, at the V International Conference of AISV Associazione Italiana di Scienze della Voce, 4-6 February 2009, University of Zurich, Switzerland.
- Feb. 2009: Poster presentation (with L. Spreafico), on *Sistemi fonetici in contatto: La variabilità di /r/ nell'italiano di tedescofoni altoatesini*, at the Conference Comunicazione parlata, 23-26 February 2009, University of Naples L'Orientale, Italy.
- Feb. 2010: Oral presentation on *Reti sociali e repertori plurilingui: il caso degli studenti in un'università trilingue*, at the X International Conference of AItLA Associazione Italiana di Linguistica Applicata, 18-19 February 2010, Free University of Bozen-Bolzano.
- Jul. 2010: Poster presentation (with L. Spreafico) on *Uvular rhotics in German/Italian bilinguals: preliminary findings from an ultrasound study*, at the International Conference LabPhon12, 8-10 July 2010, University of New Mexico, Albuquerque, USA.
- Oct. 2010: Poster presentation on *Speaking on the edge: contact-induced sound variation in the laboratory*, at the Workshop on Sound Change, 21-22 October 2010, Universitat Autònoma de Barcelona, Spain.
- Dec. 2010: Poster presentation on *Language contact and sociophonetic variation*, at the workshop Sociophonetics at the crossroads of speech variation, processing and communication, 14-15 December 2010, Scuola Normale Superiore, Pisa, Italy.
- Jan. 2011: Oral presentation (with L. Spreafico) on */R/ uvulari in un parlante bilingue: un'analisi articolatoria preliminare basata su immagini ecografiche*, at the VII International Conference of AISV Associazione Italiana di Scienze della Voce, 26-28 January 2011, Università del Salento, Lecce, Italy.
- Jun. 2011: Oral presentation (with L. Spreafico) on *The locus of contact-induced variation: An articulatory ultrasound study*, 6th International Conference on Language Variation in Europe, 29 June - 1 July 2011, University of Freiburg, Germany.
- Sep. 2011: Oral presentation (with S. Dal Negro) on *Il repertorio linguistico degli italiani: un'analisi quantitativa dei dati ISTAT*, at the XLV International Conference of SLI Società di Linguistica Italiana, 26.09.2011, Aosta/Bard/Torino, Italy.
- Dec. 2011: Oral presentation (with L. Spreafico) on *The articulation of /r/ in bilingual speakers: An ultrasound tongue imaging study*, at 'r-atlcs-3 - 3rd International workshop on the phonetics, phonology, sociolinguistics and typology of rhotics, 2-3 December 2011, Free University of Bozen-Bolzano, Italy.
- May 2012: Poster presentation (with L. Spreafico) on *The Articulatory Sociophonetics of Sound Change in a Bilingual Community*, at the 2nd Workshop on Sound Change, 2-4 May 2012, Kloster Seeon, Institut für Phonetik und Sprachverarbeitung, Ludwig-Maximilians-Universität München.
- Sep. 2012: Oral presentation (with L. Spreafico) on *Sociophonetic variation in a bilingual city*, at the Sociolinguistics Symposium 19, 21-24 August 2012, Freie Universität Berlin, Germany.
- Feb. 2013: Oral presentation (with L. Spreafico) on *Apprendere le lingue in situazioni di multilinguismo: il caso dell'italiano a Bolzano*, at the XXXIII Conference of AItLA Associazione Italiana di Linguistica Applicata, 21-23 February 2013, Università di Palermo, Italy.
- May 2013: Oral presentation (with S. Dal Negro) on *Contatto romanzo-germanico. Il caso del cimbro*, at the workshop of the PRIN project, 28 May 2013, Università di Bergamo, Italy.
- Sep. 2013: Oral presentation (with L. Spreafico) on *Lo strano caso di /R/ a Bolzano: Problemi di interfaccia*, at the XLVII International Conference of SLI Società di Linguistica Italiana, 26-28

- September, Università di Salerno, Italy.
- Nov. 2013: Poster presentation (with V. Anselmi, L. Spreafico) on *An Artificial Neural Network approach to the recognition of UTI-based Italian words*, at the international conference Ultrafest 6, 6-8 November 2013, University of Edinburgh, Scotland.
- Sep. 2013: Oral presentation (with L. Spreafico) on *Il possibile contributo della tecnica Ultrasound Tongue Imaging per lo studio della fonologia di apprendenti*, at the conference on *Il parlato in italiano L2: aspetti pragmatici e prosodici*, 5-7 September 2013, Università di Pavia, Italy.
- Jan. 2014: Poster presentation (with L. Spreafico, V. Anselmi) on *Verso un sistema di riconoscimento automatico del parlato tramite immagini ultrasoniche*, at the X International Conference of AISV Associazione Italiana di Scienze della Voce, 22-24 January 2014, University of Turin, Italy.
- Oct. 2014: Poster presentation (with B. Alber, B. Vogt) on *Phonetics and phonology: Laryngeal contrast in Tyrolean*, at the Ferrara International Phonology Meeting, 9-10 October, Università di Ferrara, Italy.
- Jan. 2015: Oral presentation (with C. Celata, L. Spreafico) on *A multilevel analysis of Italian /r/*, at the XI International Conference of AISV Associazione Italiana Scienze della Voce, 28-30 January 2015, University of Bologna, Italy.
- Jan. 2015: Poster presentation (with L. Spreafico, V. Galatà) on *On the allophony of Tyrolean /r/: a UTI study*, at the XI International Conference of AISV Associazione Italiana Scienze della Voce, 28-30 January 2015, University of Bologna, Italy.
- Feb. 2015: Oral presentation (with L. Spreafico) on *Parlanti bilingui, fonologia articolatoria ed ecografie linguali*, at the XV Conference of AItLA Associazione Italiana di Linguistica Applicata, University of Salento, Lecce, Italy.
- Mar. 2015: Oral presentation (with B. Alber, B. Vogt) on *Laryngeal neutralization in the first syllable. The case of Tyrolean*, at the International Conference of DGfS Deutsche Gesellschaft für Sprachwissenschaft, 4-6 March 2015, Universität Leipzig, Germany.
- Aug. 2015: Poster presentation (with L. Spreafico, V. Galatà) on *A UTI study on the phonetic allophony of Tyrolean /R/*, at the 18th International Conference of Phonetic Science, 10-14 August 2015, University of Glasgow, Scotland.
- Aug. 2015: Oral presentation (with L. Spreafico, C. Celata, C. Bertini, I. Ricci) on *An EPG+UTI study of Italian /r/*, at the 18th International Conference of Phonetic Science, 10-14 August 2015, University of Glasgow, Scotland.
- Dec. 2015: Oral presentation (with L. Spreafico, V. Galatà) on *Allophonic variation: an articulatory perspective*, at the international conference Ultrafest 7, 8-10 December 2015, University of Hong Kong.
- Dec. 2015: Poster presentation (with A. Pini, S. Vantini, L. Spreafico) on *A functional analysis of ultrasound data*, at the international conference Ultrafest 7, 8-10 December 2015, University of Hong Kong.
- Dec. 2015: Poster presentation (with A. Matosova, L. Spreafico) on *A thermoplastic head-probe stabilization device*, at the international conference Ultrafest 7, 8-10 December 2015, University of Hong Kong.
- Jun. 2016: Oral presentation (with L. Spreafico, V. Galatà, C. Kaland) on *Sulla variazione allofonica dalla prospettiva articolatoria*, at the International Conference La comunicazione parlata 2016 / Spoken Communication 2016, 13-15 June 2016, Università degli Studi di Napoli "L'Orientale" and Università degli Studi di Napoli Federico II, Naples, Italy.
- Jun. 2016: Contributed talk (with A. Pini, L. Spreafico, S. Vantini) on *A non-parametric inferential framework for domain selection in functional data analysis*, at the 3rd Conference of the International Society for Nonparametric Statistics, 11-16 June 2016, Avignon, France.
- Jun. 2016: Contributed talk (with A. Pini, L. Spreafico, S. Vantini) on *Functional Data Analysis of tongue profiles*, at the 48th Meeting of the Italian Statistical Society, 8-10 June 2016, University of Salerno, Fisciano, Italy.

- Sep. 2016: Poster presentation (with V. Galatà, L. Spreafico, C. Kaland) on *An acoustic analysis of /r/ in Tyrolean*, at the International Conference Interspeech 2016 on *Understanding Speech Processing in Humans and Machines*, 8-12 September 2016, San Francisco, USA.
- Sep. 2016: Poster presentation (with C. Kaland, V. Galatà, L. Spreafico) on */r/ as language marker in bilingual speech production and perception*, at the International Conference Interspeech 2016 on *Understanding Speech Processing in Humans and Machines*, 8-12 September 2016, San Francisco, USA.
- Sep. 2016: Oral presentation (with C. Kaland, V. Galatà, L. Spreafico) on *Production and perception of /r/ by bilinguals in South-Tyrol*, at ExAPP 2016 3rd Conference on Experimental Approaches to Perception and Production of Language Variation, 21-24 September 2016, University of Vienna, Austria.
- Jan. 2017: Oral presentation (with L. Spreafico, V. Galatà, C. Kaland) on *Mapping experience onto phonetic categories*, at the XIII International Conference of AISV Associazione Italiana Scienze della Voce on *Sources and functions of speech variations. Disentangling the role of biological and social factors*, 25-27 January 2017, Scuola Normale Superiore, Pisa, Italy.
- May 2017: Oral presentation (with L. Spreafico) on *Mapping experience onto phonetic categories: The effect of social network on bilinguals' production of /r/*, at the Workshop Abstraction, Diversity, and Speech Dynamics, 3-5 May 2017, Institut für Phonetik und Sprachverarbeitung, Herrsching am Ammersee, Germany.
- Oct. 2017: Oral presentation (with A. Pini, L. Spreafico, S. Vantini) on *Towards cross-subject comparison of tongue profiles. A functional data analysis approach*, at the international conference Ultrafest 8, 4-6 October 2017, University of Potsdam, Germany.
- Oct. 2017: Poster presentation (with L. Spreafico, A. Matosova, V. Galatà) on *Two head-probe stabilization devices for speech research and applications*, at the international conference Ultrafest 8, 4-6 October 2017, University of Potsdam, Germany.
- Jun. 2018: Poster presentation (with L. Spreafico) on *Age of acquisition, personal network, and articulatory variability in bilingual speakers*, at the international conference LabPhon16, 19-22 June 2018, University of Lisbon, Portugal.
- Feb. 2019: Oral presentation (with D. Mereu) on *Competenza linguistica e fenomeni di contatto nel sardo parlato a Cagliari*, at the XIX Conference of AIItLA Associazione Italiana di Linguistica Applicata, 21-23 February 2019, Università di Cagliari, Italy.
- Jun. 2019: Poster presentation (with Y. Yang, R. Walker) on *Variation of sibilants in three Ladin dialects*, at the 3rd Phonetics and Phonology in Europe conference (PaPE), 17-19 June 2019, Università del Salento, Lecce, Italy.
- Jun. 2019: Poster presentation (with L. Spreafico, A. Pini, S. Vantini) on *Investigating articulatory variability across recording sessions using a functional clustering technique*, at the 3rd Phonetics and Phonology in Europe conference (PaPE), 17-19 June 2019, Università del Salento, Lecce, Italy.
- Jun. 2019: Oral presentation (with M. Cerruti) on *Co-occurrence of neo-standard features in spoken Italian: a corpus-based study*, at the 10th International Conference on Language Variation in Europe (ICLAVE), 23-26 June 2019, Fryske Akademy, Leeuwarden/Ljouwert, Netherlands.
- Aug. 2019: Poster presentation (with L. Bucar Shigemori) on *Acoustic analysis of Italian singleton/geminate stop production in two ambient temperature conditions*, at the 19th International Congress of Phonetic Sciences, 5-9 August 2019, Melbourne, Australia.
- Sep. 2019: Oral presentation (with D. Mereu) on *La creazione di un corpus di parlato spontaneo dialogico: l'italiano di Bolzano*, at the Workshop "Corpora di parlato: verso l'individuazione di pratiche condivise", LIII International Congress of the Italian Linguistics Society (Società di Linguistica Italiana), 19-21 September 2019, Como, Italy.
- Jan. 2020: Oral presentation (with D. Mereu) on *Sistemi vocalici in contatto nell'italiano di Bolzano: un'analisi esplorativa corpus-based* at the XVI International Conference of AISV Associazione Italiana Scienze della Voce on *La variazione linguistica in condizioni di contatto: contesti acquisizionali, lingue, dialetti e minoranze in Italia e nel mondo*, 29-31 January 2020,

Università della Calabria, Rende (CS).

- Apr. 2022: Oral presentation (with D. Mereu) on *Mid vowels at the crossroads between Standard and Regional Italian* at the 11th International Conference on Language Variation in Europe (ICLAVE), 11–14 April 2022, University of Vienna and Austrian Academy of Sciences, Austria.
- Oct. 2023: Oral presentation (with F. Ardolino, I. Chizzoni) on *Creazione di un corpus orale per il sardo campidanese: approcci metodologici e finalità sperimentali* at the conference *Documenting languages, documenting cultures: migration, minorities, dialects*, 5-6 October 2023, Università degli studi di Napoli Federico II, Naples, Italy.
- Feb. 2024: Oral presentation (with F. Ardolino, A. Block, I. Chizzoni, M. Pouplier) on *Minority languages documentation as a flywheel to explore diphthong dynamics: the DID project* at the XX International Conference of AISV (Associazione Italiana Scienze della Voce) on *Voci, media e nuove tecnologie*, 1-3 February 2024, Università degli studi di Torino, Turin, Italy.
- Feb. 2024: Oral presentation (with D. De Cristofaro, S. Picciau) on *Phonological patterns in the predictions of a syllable-based end-to-end ASR system* at the XX International Conference of AISV (Associazione Italiana Scienze della Voce) on *Voci, media e nuove tecnologie*, 1-3 February 2024, Università degli studi di Torino, Turin, Italy.
- Sep. 2024: Oral presentation (with S. Katkov, A. Liotta) on *Evaluating the Robustness of ASR Systems in Adverse Acoustic Conditions* at the International Conference on Intelligent Data Science Technologies and Applications (IDSTA2024), 24-27 September 2024, Dubrovnik, Croatia.
- Oct. 2024: Poster presentation (with A. Block, M. Pouplier, I. Chizzoni, E. Siviero) on *The Vowel Inventory of Tyrolean in Meran* at 20. Jahrestreffen für Phonetik und Phonologie im deutschsprachigen Raum (P&P20-2024), 1-2 October 2024, Martin-Luther-Universität Halle-Wittenberg, Halle, Germany.
- Nov. 2024: Oral presentation (with S. Katkov, A. Liotta) on *Benchmarking Whisper under Diverse Audio Transformations and Real-time Constraints* at the 26th International Conference on Speech and Computer (SPECOM2024), 25-28 November 2024, Belgrade, Serbia.
- Nov. 2024: Oral presentation (with S. Katkov, A. Liotta) on *Evaluating ASR Performance Under Acoustic Challenges: A Multilingual Analysis* at the 23rd International Conference of the Italian Association for Artificial Intelligence (AIxIA2024), 25-28 November, Bolzano.
- Dec. 2024: Oral presentation (with S. Picciau, D. De Cristofaro) on *Sensitivity of Syllable-Based ASR Predictions to Token Frequency and Lexical Stress*, at CliC-it 2026 Tenth Italian Conference on Computational Linguistics, 4-6 December, CNR Pisa.
- Dec. 2024: Oral presentation (with I. Chizzoni) on *Towards an ASR system for documenting endangered languages: a preliminary study on Sardinian*, at CliC-it 2026 Tenth Italian Conference on Computational Linguistics, 4-6 December, CNR Pisa.
- May 2025: Oral presentation (with S. Katkov, M. Shirdel, A. Liotta, E. Sciuto, M. D’Amico, M. Raciti, V. Saita) on *Features in Pathological Voice Distorsions*, at the 2025 IEEE 5th International Conference on Human-Machine Systems (ICHMS), 26-28 May, Abu-Dhabi.

6.4 Media Presence and Other Dissemination Activities (Third mission)

- Organization of an exhibition space on the experimental study of the spoken language in the 2014 and 2016 editions of the European Researchers’ Night (LUNA) at the Free University of Bozen-Bolzano.
- Jun. 2018: Interview on TV Ladina (TRaiL) on the project *Computational tools for language documentation of endangered languages*.
- Aug. 2018: Talk on *Riflessioni su linguaggio e società. Il linguaggio come strumento di interazione sociale*, at the summer lectures of “Road to InutilMente”, organized by COOLtour and Corto Circuito, 22 August 2018, Bolzano.
- Apr. 2019: Participation in the radio podcast “Terza Missione” (Rai Sender Bozen) with a short lecture on *Il linguaggio come strumento di interazione sociale*.

- Jun. 2019: Interview on TV Ladina (TRaiL) on the project *Computational tools for language documentation of endangered languages 2*
- Oct. 2019: Open public lecture within the Studium General program of the University of Bolzano on *I suoni delle lingue. Prima lezione di fonetica e fonologia*.
- Jan. 2020: Interview on the national radio station Radio3 RAI (“La lingua batte”) on the topic of linguistic contact in a migratory context.
- Jul. 2023: Publication of articles in the local press (Dolomiten and L’Unione Sarda) presenting the DiD project.
- Oct. 2023: Participation at the event *Science Live* with the activity *Get your own sound-wave!*.
- Nov. 2023: Participation in the radio podcast “Terza Missione” (Rai Sender Bozen) with a short lecture on *Tecnologie del parlato*.
- Mar. 2024: Invited talk on *Intelligenza artificiale e analisi del parlato* at the workshop “Intelligenza artificiale e scuola: potenzialità e rischi” organized by the Italian school board (Intendenza scolastica italiana) in South Tyrol, 19 March 2024, Bolzano.

7 Academic Teaching

7.1 Lecturer of PhD Level Courses

Jun. 2023: *Introduction to Laboratory Phonology* (10 hours) at the Phd Program in Linguistics, Faculty of Education, Free University of Bozen-Bolzano, together with M. Pouplier.

7.2 Lecturer of BA and MA Level Courses

The specified hours refer to total hours of frontal teaching, and do not include additional activities related to the course, such as office hours, tutoring, project supervision, or exam sessions.

2002/03: *Lingue in contatto: problemi di indagine e metodi di analisi* (20 hours), Proseminar at the Grundstudium in “Linguistica e Letteratura Italiana”, Istituto di Lingua e Letteratura italiana, University of Bern.

2003/04: *Grammatica storica dell’italiano* (30 hours), Proseminar at the Grundstudium in “Linguistica e Letteratura Italiana”, Istituto di Lingua e Letteratura italiana, University of Bern.

2005/06: *Introduction to Linguistics (Laboratory)* (12 hours), at the MSc in Computer Science, Faculty of Computer Science, Free University of Bozen-Bolzano.

2006/07: *Introduction to Linguistics* (24 hours), at the MSc in Computer Science, Faculty of Computer Science, Free University of Bozen-Bolzano.

2006/07: *Introduzione alla linguistica (Laboratorio)* (40 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

2007/08: *Introduzione alla linguistica (Laboratorio)* (20 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

2007/08: *Sociolinguistica dell’italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

2008/09: *Introduzione alla linguistica (Laboratorio)* (20 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

2008/09: *Sociolinguistica dell’italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

2009/10: *Sociolinguistica dell’italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.

- 2009/10: *Fonetica e fonologia dell'italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.
- 2010/11: *Sociolinguistica dell'italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.
- 2010/11: *Fonetica e fonologia dell'italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.
- 2011/12: *Sociolinguistica dell'italiano* (36 hours), at the BA in Multilingual Communication, Faculty of Education, Free University of Bozen-Bolzano.
- 2011/12: *Introduction to Linguistics* (36 hours), at the MSc in Computer Science, Faculty of Computer Science, Free University of Bozen-Bolzano.
- 2012/13: *Introduzione alla linguistica* (60 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2013/14: *Introduzione alla linguistica* (60 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2013/14: *Didattica dell'Italiano (Lingua seconda)* (20 hours), at the active formative traineeship (Tirocinio Formativo Attivo TFA) for the teaching class "Italian as a second language in German secondary school" at the Faculty of Education, Free University of Bozen-Bolzano.
- 2014/15: *Elementi di teoria linguistica* (60 hours), the course consists of two modules *Introduzione al linguaggio* and *Linguaggio e società*, at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2015/16: *Elementi di teoria linguistica* (60 hours), the course consists of two modules *Introduzione al linguaggio* and *Linguaggio e società*, at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2016/17: *Elementi di teoria linguistica* (60 hours), the course consists of two modules *Introduzione al linguaggio* and *Linguaggio e società*, at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2017/18: *Elementi di teoria linguistica* (60 hours), the course consists of two modules *Introduzione al linguaggio* and *Linguaggio e società*, at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2018/19: *Elementi di teoria linguistica. Introduzione al linguaggio* (30 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2018/19: *Didattica dell'italiano L2 (Laboratorio)* (15 hours), at the MA in Scienze della Formazione primaria (Primary Education), Faculty of Education, Free University of Bozen-Bolzano.
- 2018/19: *Avviamento alla scrittura scientifica (Laboratorio)* (20 hours), at the MA in Scienze della Formazione primaria (Primary Education), Faculty of Education, Free University of Bozen-Bolzano.
- 2019/20: *Elementi di teoria linguistica I. Introduzione alla linguistica* (30 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2019/20: *Elementi di teoria linguistica II. Sociolinguistica* (45 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2019/20: *Fonetica articolatoria e acustica (Laboratorio)* (30 hours), at the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.
- 2020/21: *Elementi di teoria linguistica II. Sociolinguistica* (45 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.
- 2020/21: *Fonetica articolatoria e acustica (Laboratorio)* (30 hours), at the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.
- 2020/21: *Linguistica quantitativa: Metodi quantitativi in linguistica* (30 hours), at the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.

- 2020/21: *Linguistica quantitativa: Analisi di dati (laboratorio)* (30 hours), at the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.
- 2021/22: *Elementi di teoria linguistica II. Sociolinguistica* (45 hours), at the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.

7.3 Thesis Supervision and Evaluation

7.3.1 PhD Thesis Supervision

As of 2021, I am a member of the committee of the PhD program in Linguistics at the Universities of Bolzano and Verona. I have been a member of the committee of the PhD Program in Language Sciences at the Universities of Pavia and Bergamo since 2008.

- 2009-2013: co-supervisor of Allan Castro Prieto on the topic *Uses of Linguistic Codes among Italo-Costa Ricans in San Vito de Coto Brus, Costa Rica. A quantitative and qualitative research*, PhD Program in Linguistics, Università di Pavia.
- 2010-2014: co-supervisor of Claudia Marzi on the topic *Models and dynamics of the morphological lexicon in mono- and bilingual acquisition*, PhD Program in Linguistics, Università di Pavia and Consiglio Nazionale delle Ricerche Pisa.
- 2010-2014: supervisor of Chiara Meluzzi on the topic *Le affricate dentali nell'italiano di Bolzano. Un approccio sociofonetico*, PhD Program in Linguistics, Università di Pavia.
- 2014-2018: co-supervisor of Daniela Mereu on the topic *Il sardo parlato a Cagliari: uno studio sociofonetico*, PhD Program in Language Sciences, Università di Bergamo.
- 2017-2021: external co-supervisor of Joachim Koekkelmann on the topic *Towards a synchronic and diachronic typological model of sibilant inventories*, PhD Program in Linguistics, Università di Verona.
- 2019-2022: co-supervisor of Nicolas Nese on the topic *Acquisizione di categorie fonologiche in arabo come lingua straniera*, PhD Program in Language Sciences, Università di Pavia.
- 2019-2024: co-supervisor of Yuka Naito on the topic *Esperienze e formazione musicali influiscono sull'apprendimento percettivo dell'accento melodico giapponese? Il caso degli italofofi*, PhD Program in Language Sciences, Università di Pavia.

- 2021-now: supervisor of Salvatore Gianninò on the topic *South Tyrol Italian prosody: sociolinguistic and individual variation*, PhD in Linguistics, Free University of Bozen-Bolzano.
- 2022-now: co-supervisor (with prof. Antonio Liotta) of Sergei Katkov on the topic *Analysis for Speech Recognition using Artificial Intelligence methods*, PhD in Computer Science, Free University of Bozen-Bolzano.
- 2022-now: member of supervisory board of Ezio Santilli on the topic *Italiano popolare in the 21st century*, PhD in Linguistics, KU Leuven, Leuven, Belgium.
- 2024-now: supervisor of Domenico De Cristofaro on the topic *Language technologies for low-resource languages*, PhD in Linguistics, Free University of Bozen-Bolzano.

7.3.2 PhD Thesis Evaluation

- 2019: external evaluator of the PhD thesis *Italian Roots in Australian Soil: Dynamics of contact and cross-linguistic phonetic influence in first-generation heritage speakers* by Ottavia Tordini, University of Pisa, Italy; supervisors: Prof. G. Marotta and Prof. M. Vayra.
- 2022: external evaluator of the PhD thesis *Dinamiche di language shift e maintenance in contesto migratorio. Ghanesi a Palermo* by Roberta Scelta, Università per Stranieri di Siena, Italy; supervisors: Prof. Liana Tronci and Prof. F. Guerini.

7.3.3 Master Thesis Supervision

- Apr. 2016: external co-supervisor of Elena Giarratano on the topic *Functional Permutation Tests for Articulatory Phonetics. Derivative Encompassing Interval-wise Testing Procedure*, MSc in Mathematical Engineering, at the Politecnico di Milano.
- Dec. 2016: external co-supervisor of Roberta Assi on the topic *Functional Local Permutation Tests: a Spatio-temporal Analysis of Tongue Dynamics*, MSc in Mathematical Engineering, at the Politecnico di Milano.
- Mar. 2017: external co-supervisor of Marianna Baccelliere on the topic *Le vocali italiane di parlanti peruviani residenti a Torino: un'analisi fonetica sperimentale*, MA in Translation Studies, Università degli studi di Torino.
- Oct. 2018: Ilaria Curcio, *Lo sviluppo fonologico nel bambino della scuola dell'infanzia*, Corso di laurea magistrale in Scienze della Formazione Primaria (MA in Primary Education), Free University of Bozen-Bolzano.
- Oct. 2018: Jessica Ferraro, *Lo sviluppo della consapevolezza fonologica: l'importanza di un programma di training fonologico incentrato sulla sillabazione*, Corso di laurea magistrale in Scienze della Formazione Primaria (MA in Primary Education), Free University of Bozen-Bolzano.
- Mar. 2020: Sara Lorenzoni, *Strategie di feedback correttivo in due contesti bilingui*, Corso di laurea magistrale in Scienze della Formazione Primaria (MA in Primary Education), Free University of Bozen-Bolzano.
- Jul. 2021: co-supervisor of Veronica Juliana Schmalz, *AEFLL: Automatic Evaluation of Foreign Language Learning. An interdisciplinary project for English, Italian and German at the Free University of Bozen-Bolzano*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Mar. 2022: co-supervisor of Ilaria Chizzoni, *Spoken Language as a Biomarker: Development of a Machine Learning Tool to Detect Cognitive Decline*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Jul. 2022: co-supervisor of Michela Valetti, *Fenomeni prosodici in pazienti afasici: un'analisi acustica del parlato patologico*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Oct. 2022: supervisor of Eleonora Rodegher, *Automatic Speech Recognition for low-resource languages: exploring transfer learning from related languages*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Mar. 2023: co-supervisor of Domenico De Cristofaro, *Subwords regularization for End-to-End ASR through data-driven Phonetic Confusability*, MA in Applied Linguistics, Free University of Bozen-Bolzano.

- Mar. 2023: co-supervisor of Sara Picciau, *Syllable-based subwords for a multilingual end-to-end ASR system*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Jul. 2023: co-supervisor of Abess Benissmail, *Enhancing Neural Machine Translation Quality: A Comparative Study of NMT Techniques, Evaluation Metrics and Evaluation Methods*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Oct. 2024: supervisor of Francesca Bonanni, *Speech disfluencies and deception detection. Which speech disruptions are affected by voice deceit? A phonetic analysis with forensic purposes*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Mar. 2025: co-supervisor of Simone Ciciliano, *Prompt-based Children Story Adaptation*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Mar. 2025: supervisor of Luigi Parisi, *Investigating Bias Using Pretrained ASR Models*, MA in Applied Linguistics, Free University of Bozen-Bolzano.
- Mar. 2025: supervisor of Darline Marx, *Automatic Detection of Speech Sound Disorders in German-speaking Children*, MA in Applied Linguistics, Free University of Bozen-Bolzano.

7.3.4 Bachelor Thesis Supervision

- Jul. 2009: Nicole Giaier, *Il comportamento linguistico di due bambini a Laives*, BA in Multilingual Communication, Free University of Bozen-Bolzano.
- Jul. 2009: Mara Leonardi, *Bambini migrati nella Provincia plurilingue di Bolzano. Un caso di studio in una scuola materna italiana*, BA in Multilingual Communication, Free University of Bozen-Bolzano.
- Jul. 2009: Franziska Sinn, *Migrantenkinder in Mehrsprachigen Provinz Bozen. Eine Fallstudie im deutschsprachige Kindergarten*, BA in Multilingual Communication, Free University of Bozen-Bolzano.

8 Other Academic Responsibilities and Memberships

8.1 Internal Appointments to Faculty and University Boards

- 2010-2016: member of the executive board of the Language Study Unit, a research center in Linguistics at the Free University of Bozen-Bolzano, directed by Prof. Rita Franceschini.
- 2010-now: director of ALPS, *Alpine Laboratory of Phonetic Science*, a research laboratory in experimental phonetics at the Free University of Bozen-Bolzano.
- 2012-2014: Member of the selection committee for the admission to the active formative traineeship (Tirocinio Formativo Attivo TFA) for the teaching class "Italian as a second language in German secondary school" at the Faculty of Education, Free University of Bozen-Bolzano.
- 2012-2015: Coordinator (together with EURAC) of the Colloquium in Linguistics "Work in Progress" (WiP), at the Free University of Bozen-Bolzano.

2013-2019: Member of the selection committee for the admission to the BA in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.

2014-2023: Member of the committee for the evaluation of study plans (BA in Communication Sciences and Culture), Faculty of Education, Free University of Bozen-Bolzano.

2016: Responsible for consultation with stakeholders for the BA in Communication Sciences and Culture.

2017: President of the selection committee for the admission to the MA in Primary Education, Faculty of Education, Free University of Bozen-Bolzano.

2018 - 2020: Academic tutor for the internship of Bachelor students in Communication Sciences and Culture.

2018: Supervision as company tutor of 2 trainees at the ALPS laboratory.

2018: Responsible for a project work *Speech and language resources for research and technology* in the context of school-work alternation.

2018-2019: Member of the working group for the activation of a master's degree program in Applied Linguistics (LM-39) coordinated by Prof. Silvia Dal Negro.

2019-2023: Member of the selection committee for outgoing Erasmus students (Commissione Erasmus).

2019 - 2023: Vice director of the Master Degree in Applied Linguistics (LM-39)), Faculty of Education, Free University of Bozen-Bolzano.

2019 - now: Participation in all editions of Open Days for the master's degree program in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.

2019 - 2023: Coordinator of the steering committee (Comitato d'indirizzo) of the master's degree program in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.

2019 - 2023: Member of the selection committee for the admission to the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.

2020 - 2023: Chair of the "Seminario laureandi" for the MA in Applied Linguistics; during the seminar meetings, students present and discuss their ongoing thesis projects together with peers and faculty (35 meetings in 3 academic years).

2021: Member of the selection committee for the admission to the PhD program in Linguistics (XXXVII ciclo), Faculty of Education, Free University of Bozen-Bolzano.

2021-2023: Member of selection committees for RTDa (7), RTDb (2), and CNR junior researcher (1) positions.

2022 - 2024: Social communication (Instagram) and website manager (Google sites) for the MA in Applied Linguistics, Faculty of Education, Free University of Bozen-Bolzano.

2023 - : Director of the Bachelor program in Communication Sciences and Culture, Faculty of Education, Free University of Bozen-Bolzano.

8.2 External Appointments

2015-2018: Member of the Executive Council of *Società di Linguistica Italiana*.

2019-2024: Member of the Executive Council and Vice-President of *Associazione Italiana di Scienze della Voce*.

2022-now: Appointed by *Società di Linguistica Italiana* and *Associazione Italiana Scienze della Voce* as delegate on linguistic resources and spoken corpora within a steering group that includes representatives of scientific societies of Linguistics, members of the H2IOSC project funded by PNRR, and coordinators of the EU platform CLARIN.
